Savage Cruiser

Take your time...fly over the coastline, go camping and land near river, fly to the mountains; "splash down" your float version and enjoy the silence; carry everything you need into the large luggage compartment and cruise and climb without sacrificing comfort

Adventure...

Old Fashion Style...

Take your time...fly over the coastline, go camping and land near river, fly to the mountains; "splash down" your float version and enjoy the silence; carry everything you need into the large luggage compartment and cruise and climb without sacrificing comfort
