### INTEREST HIGH

Thank you to all who keep contacting us via telephone or email. The response to Savage is great! Many comments on the craftsmanship of the aircraft. All are impressed that such a great plane could start at only \$70,000.00 delivered to Manitowoc, Wisconsin. Why Manitowoc?

We are dedicated to making the purchaser of a Savage feel comfortable flying the aircraft before they take it to their home field. We will install the wings, and make final rigging connections. We will contact the DAR, get your plane issued it's airworthiness certificate, and take care of the FAA registration paperwork.

We have two tail wheel instructors who will get you familiar with Savage flying.

We have spare parts on hand in case a unforeseen problem may arise in the first hours of flight, and

beyond if necessary. We are dedicated to quality control and helping you to keep your Savage flying safely! We have two LSA repairman on staff to do your annual condition inspection, and any other routine maintenance.

### TEST FLIGHTS ARE AVAILABLE

We have our Savage Cruiser on leaseback to Lakeshore Aviation. It is available for demo flights, light sport training, and tail wheel endorsements. Call Lakeshore Aviation at (920)682-0043 to check the schedule, and book your flight. You'll be glad you did.
